Dear Mr. Breunig.

Heartily greetings from Tanzania in particular St. Mattias Mulumba Catechetical Centre.

I am aware that it has been long since I last communicated with you and the students in your school. Please greet the students for me. I love them.

I want to acknowledge receiving the money contributed for me. Accept my heartfelt gratitude may the Good Lord reward as you continue to support me and now with my new ministry at a remote area.

I am working in St. Mattias Mulumba catechetical centre. Here I do teach Moral Theology and Human Psychology. The centre takes in married Christian couples. They are being prepared to teach religion, or give Christian Instructions to other Christians, children in primary and secondary schools, prepare children for Holy Communion and confirmation etc.

The program obliges them to live in the centre for two years. As the parents study their children do also go to kindergarten which is build in the centre. Frankly speaking life in the centre is hard and tough enough. As usually these catechists do not earn enough and have few things. This forces us who teach them, make them work hard in the field as well as study. The Kindergarten school miss the most important things like toys, and writing materials. The children are eager tp learn but we cannot afford to have conducive environment. Please think about this.

In this centre we are only two sisters.

We are supposed to teach, do counseling to the catechists. But, we are not paid 20,000 (twenty thousand Tanzania shillings) which is equivalent to 8,50 €! We too cannot manage to buy what we necessarily need. As a result the money you send me will greatly support me and the ministry as well. Thank you so much. I cannot find the appropriate words which will tell you how grateful Im to you personally and the students in general.

(...)

Thank you for what you have done, you are planning to do support us. I appreciated your generosity always and treasure your support in my heart always. I assure you of my prayers.

Yours sincerely,

Sr. Inviolata Kambanga O.S.B.
